CORE elements	<ul style="list-style-type: none"> Theory of Knowledge Extended Essay CAS (Creativity, Activity and Service) 	Compulsory for getting an IB Diploma

* *Environmental Systems and Societies* is an **interdisciplinary subject** and can be considered either under **Group 3** or **Group 4**.

NB:

- Students are required to select one subject from each of the six groups; however, a student may opt to study an additional subject from any of the other groups (from Group 1 to Group 5) instead of choosing a subject from Group 6 (The Arts).
- Students are required to study at least three subjects at the Higher Level (HL) and the remaining subjects at the Standard Level (SL).
- All students pursuing the IB Diploma have to study and appear for **SIX subjects + CORE elements**.
