

**SUNCITY SCHOOL,
GURUGRAM**

Suncity School, Sector 53, Gurugram held the seventh edition of the annual event, 'Multiple Intelligences and me' where over 70 students from more than 15 schools in Delhi-NCR participated. Among reputed schools who participated in the event were Amity International School, Blue Bells School, DAV School, Ridge Valley School, GD Goenka Public School, Scottish High International School and Lotus Valley School. The competition 'MI-me' has been designed by Suncity School in sync with Howard Gardner's Theory of Multiple Intelligence. Howard Gardner is an American developmental psychologist and Professor of Cognition and Education at the Harvard Graduate School of Education at Harvard University. An array of other competitions such as 'Making Connections' which tested the linguistic, interpersonal and intrapersonal ability of students, 'Art to Astound' based on spatial, naturalistic and logical skills, 'Rhapsody-Divergent Thinking' testing naturalistic, logical, linguistic, musical and technology skills and 'Against all Odds' which tested logical and kinesthetic skills were held. This is the seventh edition of the event and I thank all the schools and teachers for their participation and making this competition successful," said Principal Rupa Chakravarty.
