Suncity School, Gurgaon

Suncity School, Gurgaon organised its annual fiesta 'Juvenalia' which showcased the talent of students from Early Years Programme. Centred on the theme 'Divergent Thinking', the event witnessed spectacular performances. The highlight of the evening was 'The Blue Dot' which underscored the need of futuristic and divergent thinking. "Holistic development of students has been the core philosophy of Suncity School. The event provided a platform to students to showcase their talent. I would also like to congratulate the entire fraternity for achieving many milestones in the past year," said Rupa Chakravarty, school principal. She marked the milestones of the school for the year 2017 in her annual prologue. The show ended with a vote of thanks.
